

Lifton Parish Council

Publication Scheme

Lifton Parish Council aims to be an open and fair organisation and welcomes enquiries from members of the public.

Any member of the public wishing to apply for information relating to the Parish Council under the Freedom of Information Act 2000 is entitled to do so. The public has a right to know certain information from public authorities and it is the Parish Council's responsibility to make it available.

To request information a member of the public should write to the Parish Council stating their name, address and a description of the information requested.

The person making the request can ask to receive a copy of the information, a summary of it or they can come and inspect it themselves. Once the Parish Council receives a written request it has 20 working days in which to respond.

There are a number of exemptions in the Freedom of Information Act 2000 which may mean that the requesting person does not receive the information, for the list see

www.legislation.gov.uk

The Parish Council is still obligated to respond within 20 working days and should explain why it is not able to disclose the information.

There are also some financial limitations to a request. If the Parish Council intends to charge a fee for the information it must notify the person concerned within 20 working days.

Lifton Parish Council charges 10p per page for black and white print, 20p per page for colour prints and £16.08 per hour to cover location and extraction of the information; the first hour is not charged. The Parish Council can estimate the cost of providing the information by determining whether it holds the information, as well as locating, retrieving and extracting it. The Council does not include in its costs time for considering whether the information is exempt, removing exempt information or copying/sending the information.
